GERMANY TO BLAME FOR DELAY OF PEACE

Can Only Come With Germany's Defeat

By Wilbur S. Forrest

By Wilbur S. Forrest

(United Press staff correspondent)
London, July 5.—Viscount Bryce, former British ambassaior to the United States, herew back upon Germany world war in a lunched when he refused to salute the Mexican flag and yell "viva Mexicon For the Pilgrim Society in the Hotel Savey this afternoon. The affair was in honor of James M. Beck of New York, former assistant attorney general of the United States, who is leaving for America.

Bryce made a direct reply to a letter recently sent to him from America urging that he use his efforts in behalf of peace. He answered that Germany is not willing to agree to any remease such as and we world war at a draw and nake we think of war and peace," began Bryce "Hecently an a address reached me, signed by Americans, saying the war must end in a draw. The signers are of German origin. We all feel the horror and soffering of war as much as any partiest in the signers are of German origin. We all feel the horror and soffering of war as much as any partiest in the war as much as any partiest in the signers are of German origin. We all feel the horror and suspense of the signers are of German origin. We all feel the horror and suspense of the signers are of German origin. We all feel the horror and susfering of war as much as any partiest in the signers are of German origin. We all feel the horror and susfering of war as much as any partiest in the signers are of German origin. We all feel the horror and susfering of war as much as any partiest in the signers are of German origin. We all feel the horror and susfering of war as much as any partiest in the signers are of German origin. We all feel the horror and susfering of war as much as any partiest in the signer of the signers are of German origin. We all feel the horror and susfering of war as much as any partiest in the signer of the signers are of German origin. We all feel the horror and susfering of war as much as any partiest in the signer of the signer or origin that the signer or origin the signer or origin

'Secondly, Germany is not yet pre-pared for any terms we could accept. The German government knows that Germany will be beaten, but the Ger-man people don't know it yet. The government any fed them on false-hoods and now fears to accept terms which would recognize its own failure. "Thirdly, peace now on Germany terms would not be permanent, but

mere truce.

"Lastly, we are fighting for great principles, vital to the future of mankind, which Germany has outraged and which must be vindicated. We do not hate the German people. We do not desire to destroy their national unity desire to destroy their national unity nor inflict permanent Injury upon them but we do desire-to-exercise the evil spirit and discredit the military caste delighting in war and threatening all countries, America included. Nothing very attractive and interesting including the parade which was well planned was very attractive and interesting including the parade which was sufficiently any shall in sulendid.

won for principles and peace estab-lished on the sure foundations of jus-tice and freedom."
